

Due to popular demand, an additional “Know Your Rights” Town Hall Meeting has been scheduled in Albuquerque!

**Tuesday, February 7th, 5 PM—7:30 PM at the
Center for Development and Disability
2300 Menaul Boulevard NE**

Due to overflow crowds at the two Town Hall meetings on February 1st, the Know Your Rights Steering Committee has added a third Town Hall meeting in Albuquerque. Join us for presentations and conversation about what the new Centers for Medicare and Medicaid Services “Final Rule” means for people on the DD, Mi Via and Medically Fragile Waivers in New Mexico.

The Final Rule strengthens the rights of people receiving Waiver services to:

- ◆ be part of the community where they live and work
- ◆ choose where they live, who they live with and how they live
- ◆ decide how to spend their days and who to spend their days with
- ◆ determine who provides services

Hosted by the Know Your Rights Campaign Steering Committee:

New Mexico Allies for Advocacy, the ARC of New Mexico, Case Management Action and Advocacy Council, New Mexico Autism Society, Developmental Disabilities Planning Council, Disability Rights New Mexico, Developmental Disabilities Supports Division, Governor’s Commission on Disability, Human Services Department, Parents Reaching Out, San Juan Center for Independence, Association of Developmental Disabilities Community Providers, the Family Living Provider Association and the Center for Development and Disability.

If you need accommodations to attend a meeting, including sign language interpreters, large-print materials, Spanish language interpreters or others, , please contact Wendy Corry via email at wendy@corryconsulting.com .
