

Mountain States REGIONAL GENETICS NETWORK

COVID 19

NEW MEXICO RESOURCES

for Those Impacted by Genetic Conditions

KNOW THE FACTS

To find the latest COVID19 facts, statistics and guidance from a:

- **New Mexico/ Español**
- **Pediatric Specific (NM/CMS)**
- **USA/ Federal**
- **World** perspective

Please visit these websites linked above.

EMERGENCY PLANS

The best time to plan for an emergency is before it happens. Take time now with your loved ones to prepare an emergency plan for their specific health needs.

- **Emergency Information Form (ACEP)**
- **Emergency Preparedness for those with Metabolic Disorders**
- **Emergency Cards for Genetic and Metabolic Conditions**

CONDITION SPECIFIC

If you or your loved one has been diagnosed with a specific genetic condition please reach out to your healthcare provider or to the patient support organization for that condition, for specific information or advice.

This webinar from NORD addresses COVID concerns for those with a rare disease.

The MSRGN website has some other useful links for those with genetic conditions. The NM Medical Home Portal is also a great resource.

FOOD, MEDS & INSURANCE

Having an extra 30-60 day supply of food, medication, metabolic food or formula is advisable for any emergency situation.

- **Insurance: COVID19 Testing Costs**
- **Food Access: Road Runner Food Bank**
- **Medical Foods Access**
- **Medication Access: NM Emergency Dispensing Declaration #1 (30 day supply), #2 (controlled substance)**

SUPPORT

Having a support system in place can really enhance mental health during times of crisis. Below are some organizations that are available for support in times of need:

- **New Mexico Crisis Services: 855-662-7474 or www.nmcrisisline.com**
- **Parents Reaching Out (PRO)**
- **Navajo Family Voices**

TELEHEALTH

Many primary care clinics and specialty clinics are changing their in-person follow up appointments to telehealth visits.

Please watch this video to learn more about telemedicine, telehealth and telegenetics. Ask your provider if telehealth is available to you, in an effort to minimize your exposure to the virus.
